### **Dealing Form W-07TT: Instructions for Completion**

---

**NOTE: Water can be taken only through a work nominated on the Water Access Licence. To change the nominated work an application must be lodged with the Department of Water and Energy (DWE). Application forms are available from DWE's website at [www.dwe.nsw.gov.au](http://www.dwe.nsw.gov.au).**

1. Do not use an eraser or correction fluid to make alterations: rule through rejected material and initial the left-hand margin.
2. If the space provided at any point is insufficient, insert "See Annexure" at that point and include the required material on sheets of white A4 paper at least 80gsm (ordinary copier paper) using one side only. Insert a heading beginning "Annexure to ..." and specifying the type of form, the date and the parties to the transaction. Identify the material included, where possible by referring to the relevant heading on the form. In the case of signatures which cannot be fitted in the space provided, reproduce the text and layout used on the form. Number all pages in sequence with the form using the format "Page ... of ..."; the number must be placed at the foot of each page in the centre. The first and last pages must be signed by the parties and any witness. Securely attach the additional pages to the upper left-hand corner of the form: a Nalclip is preferred; stapling should be avoided.
3. Lodge the completed form (including the *Additional Information to be Provided* page) and the relevant licence certificate by hand at the Department of Lands, Land & Property Information Division (LPI), Queens Square, 1 Prince Albert Road, Sydney (adjacent to Hyde Park Barracks).
4. The following instructions relate to the letters on the form.
  - (A) Insert the lodging party's LPI document collection box number. If the lodging party does not have a LPI document collection box, leave this panel blank.
  - (B) Insert the lodging party's name, postal address or DX number, telephone number, and listed lodging party number ("LLPN") if any. Show any LLPN as the first item of the first line in the format: "LLPN: 12345". Include a fax number and an e-mail address if available.
  - (C) Provision of a reference is optional.
  - (D) If the form is part of a sequence of dealing forms to be lodged for registration, indicate its priority within the sequence, e.g. "1 of 3". If it is not part of such a sequence insert "1 of 1".
  - (E) Insert the number of the water access licence subject of the term transfer.  
NOTE: A term transfer of part of the water allocation in the licence is not acceptable. A term transfer by fewer than all the holders of the licence is acceptable.
  - (F) Specify the licence tenure type, i.e. continuing, specific purpose, or supplementary.
  - (G) and (H) Insert the full name. Address and occupation are not required. In the case of a corporation, include the ACN, ABN or ARBN.
  - (I) If there is more than one term transferee, insert the tenancy in which they wish to hold the licence, i.e. "joint tenants" or "tenants in common". In the case of tenants in common, specify the shares they wish to hold: if they wish to hold equal shares, add "in equal shares"; if they wish to hold unequal shares, specify the relevant share after each name.
  - (J) Insert the price or other consideration for which the licence was transferred for the specified term.
  - (K) In the appropriate locations specify the term of the transfer (years/months/days as appropriate) and the dates on which it will commence and terminate. The term must be consistent with the commencing and terminating dates, and must be at least six months.
  - (L) The completed form must be executed by or on behalf of the term transferor and term transferee. Any witness must be an adult who is not a party to the transaction. Where the form is executed—  
*By an individual on his/her own behalf:* The signature must be witnessed.
